

kiss me i'm IRISH

The very first place that you need to go is where to find out how vegetables grow.

Now you have found it, you look like a star! The next location is the MPR.

You're finding some clues, they aren't hard to explain. Your next one will be found with Mrs. McLain

Be sure to walk! I think you have a hunch, of where Monarchs go when it's time for lunch.

You are stealing these clues as fast a crook! Now where do you know when you need a good book?

Stop right there! Time to move your jaw. Everyone recite the Girl Scout Law.

You know your Law, you're gathering the clues. Where do we go on Fridays to hear Mr Shaw give the news?

We are Monarchs but we don't have wings. Use your walking feet and find your next clue at the swings.

This one is different, there won't be a rhyme. Drink your water :)

You made it! You gathered the clues! Now head back to the classroom to wait for the crews!
