

Find something that makes noise. What did it sound like?

Find something that crawls. How many legs does it have?

Find something that flies. Name it:

Smell a flower. What color was it?

Find a feather. What kind of a bird do you think it came from?

Find an oak leaf.

Find a sign of an animal! How do you think the animal made it?

Find a seed that travels on the wind. \*hint- there's more than one kind(:

Find a clover.

Find a piece of litter and put it in the trash!
