

Finding the first cock will be a treat. This may be where you hold your meat! Find me near the pools rear!

This famous song will lead you hear, 3 big cactus are standing near, look for me beside the rocks ,I'm sitting here under a cock!

You travel here to check and see who's here. Not many camp back here! Now look around and find that cock!

Season change and the views stay the same but the temperature never changes in here.

You walk over me to get to and from. Look down and you might find cum. I'm on a string yank me up and make me cum. Now grab your dick and make it stick!

You hear noises come from here some think they hear fear! No need to fear there's just sex back here!

You come here for a glorious time. You never know what you're going to find. I'm here waiting in my prime!

Go to the old swimming hole to fill your hole. Not many know about this swimming hole. DAM

You come here to remember those at rest. Now take a seat to meet your quest.

There are 5 of us to rest your head. 4 you can see that's not me!
