Start

I am famous for my mind but also my crazy hair. I came up with E=MC2

I am part of the human body. I can break but be repaired. Blood keeps me pumping only 1 you have to share.

Ill show you my world with lots of areas to see. Find a map of Great Britain then move to task 3.

In the English Language I am key to spell check word is my duty.

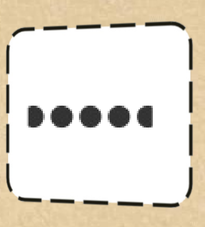
I once was a great king who had a lot of fun. I dated and dumped 6 lady chums until they produced the next king.

I hold a lot of sugar to keep you working on, 14 spoonfuls is the key to getting the job done. Energy you ask I can easily do that.

I am something new, recent to you. You have played with my screen and are quite keen to use me for work and fun.

I am something to use when your brain is confused and the sums are to much to take. You give me a sum which is easily done & the answer you quickly take.

I am the boss of this unit. Your final clue is here. The first one to find me with all of this gear....



....wins the prize which all will hear.
