

Go to this office to find out about "All things Athletics." If you're lucky you will get to meet Mr. Burks and Mrs. Bradley.

Do you "Love" Math? Visit the Math Department! You may meet Mrs. Love. She may have a word problem or two for you to figure out. Lol.

Sing or hum one of your favorite songs in front of the Music Room. A picture with Mrs. Breen would be nice!

As you enter the Middle School Office say, "Hi!" to Mr. Capps our Principal. He handles discipline too. So, be sure to be on your best behavior.

Lucky you. Today you get to take a break from the books and eat. Locate which lunch room you will be eating in during the school day next year. Hint: 6th, 7th, & 8th eat in different areas.

Here at LCA, AR reading is very important. You will want to know where the library is because after all, "You can't lead if you don't read!"

Mr. Jones, head of our Drama Department, would like to meet you. Tell him what play you would like to see LCA perform next year. Be creative!

Find the special marked locker in your class section. While you are there pick out your ideal locker space.

Visit all three of our Middle School science rooms. Take a picture by each door. Make sure we can see the room number!

Outside the art room, pose in a way that others might guess your favorite artwork. Get a picture taken in that pose. Say hello to Mrs. Watts.
