

Lightning strikes don't last long, but I give the kind of energy that keeps the lights on.

A doll house?! I might not look like everyone else's box, but if I didn't do my job, Corrinne's parents would never get their bills!

Hot dogs, hamburgers and steaks. I do it ALL! (Even pizza!)

How does that cat keep getting in here?!

I take you where you need to go and if you have something too heavy, I can even tow.

If you need something clean to wear put it in me and I'll get it there.

I'm soft and squishy and sometimes spinny. But don't rotate too much or you might get dizzy.

To complete your mission, find the tall man in the kitchen!
