

Go to the Living room and hop on one foot 5 times. Then look near a door and take one ticket.

Stand at the top of the stairs and sing a song. Get your ticket from Raneem's Dad.

Find something the astronauts left on the moon, besides footprints. Hint: has candy cane stripes and rectangular shape!

You go miles and miles on this but never reach the moon-stay in the same spot! Get your ticket in and around that object!

This candy bar is named after a group of stars, or constellation. Find your special candy under a brown table!

Find the black chair with wheels and that's where you will find something that rhymes with the word moon!Collect it and save it!

Go downstairs find objects which can be very hot sometimes but not as much as Venus.You'll find something that rhymes with sun and collect it for your breakfast!

This is something that grows in your garden. It is yellow and resembles the sun in a way. Find the pic of this in our house. Collect your ticket

Raneem's room is where you'll find your next object. It's candy named after a planet!

Go to living room and dance to your favorite music and collect your ticket from Raneem's sister!
