

Climbing me can be quite a lark. I'm not a dog, but I do have a bark.

I make lots of smoke when I get hot. I make yummy food that you'll like a lot.

I have a ring but you can't wear it. Sometimes so loud that you can't bear it.

On me you can speed like a bird in the sky. My two wheels will make you fly!

I swing out and in to let you through. I sometimes creak, and that's your last clue.

what is small and round and bounces around?

What do you call the guy lying in front of the door?

If you were 'able', you'd add a 'T'?

What has a tongue that can't taste, eyes that can't see and a sole that will never die?

I sit and wait for someone to play. I have million small rocks that are soft and hard at the same time.
