

Don't you worry, don't you fear this is not your only gift this year. Clues will lead you to something good look for your first clue where we store food.

That was quick; you're pretty smart you and your gift aren't far apart. For clue #2 I need to be bold your next gift is where we keep the food cold.

Brrrr! you found me, that was quit chilly. The next clue will be bliss, in this place we shared our first big kiss.

Whoo hoo! Remember that? I do too, okay moving on, here's the next clue. The air inside can be a bit stale, get some fresh air by checking the mail.

Not bad, you found me, quite a feat you're almost there, so don't retreat. Your next gift you'll want to see, you can find it under a tree.

Are you having fun? A few more clues then you are done. The next gift is a lot of fun people may say, look under the object where we go to end our day.

Here I am, how do you do? Before moving on sing a verse of jingle bells so I can hear you. Great! The next gift you'll find on the green but you will need your bag if you know what I mean.

Ah ha, you've found the final clue you're gift is waiting for you, I hope it fits like a glove but before you get it, come to me and show me some love. Merry Christmas Babe!
