

HAPPY BIRTHDAY!

I have a face that doesn't frown, I have hands that do not wave, I have no mouth, just a familiar sound, I don't walk - but I move around?

If you want your teeth to shine, pick this up and spend some time.

My colors are like a skunk But I do not affect the nose, just the ears. I can be loud, beautiful, quiet, or annoying depending on who is with me.

"I am square and love heat, I make bread more delicious to eat."

Up in your room is where I am I show you exactly what you show me. Made in God's image reflected you will see. The person God has created you to be.

I am tall and for some reason I change my clothes with every season Birds love to use me as a home I'm stuck in one place and cannot roam

Feed me I live and I light up the sky But give me a drink and I will surly die.

I don't go out and play, I just stay home all day, I'm nice - you might agree, but mostly your feet just rub me?
