

The day after Thanksgiving, the girls like to shop...Look in me to find at which stores they should stop.

I make music for you when you're out in the yard. I make the most music when the wind blows hard.

Take a picture of boys playing my game The one that brought Aaron Murray his fame.

Climbing me can be quite a lark, I'm not a dog, but I do have a bark.

I'm usually orange and sometimes have a face Part of me in a pie at your table may have a place.

I make lots of smoke when I get hot. I make yummy food that you'll like a lot.

God created me on the same day He created man; I can run fast; catch me if you can.

Hopscotch and skating fit me to a tee. Don't walk on the grass. Just walk on me!

Use me to give thirsty plants a drink; Or use me to clean your car, fast as a wink.

Turn me to the left and you just might get wet. I'm great for giving a drink to your pet.
