

If you were really small, you could ride on this all around the country. All Aboard!

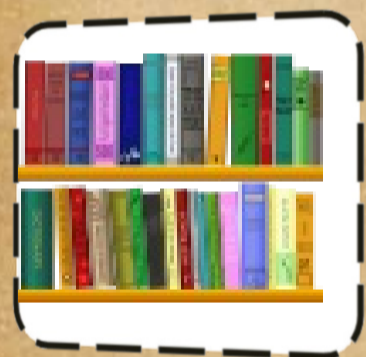

These can talk, but they have no bones or heart.

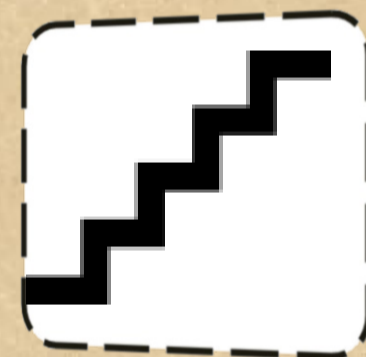

Your ice cream wouldn't be very "ice-y" if it wasn't for this place.

With this on, no one will forget your name.

In this room, there are millions of words even when no one is talking.

There are stairs here, but they don't go anywhere.

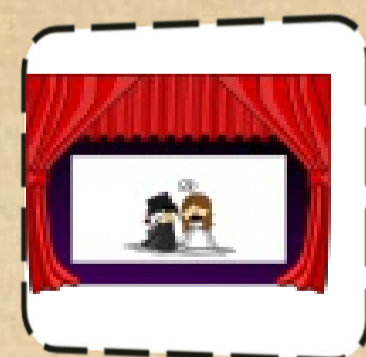

Swings but no playground.

A lot of changing happens here.

A front porch without a house

Lights, camera, action! are words you might hear here.
