

Grab some sticks, don't lay them straight, spell the name of the kid who's eight!

Feathers and beaks and lighter than air, take a look up and find at least two kinds there.

its getting greener and growing fast, take a photo of someone rolling in the \_\_\_\_\_

I'm not your sister or your mother, but I am married to your father's brother. Hint: I am not human.

From buildings standing tall to your favorite sidewalk chalk. It's amazing what can be made from a humble \_\_\_\_\_

Off my tree, I am alone. Don't eat me with ice cream...even though I am a cone!

Round and round three will go, where they stop, nobody knows.

It goes up, at the same time goes down, toward the sky and the ground. Past tense and present too, come for a ride, me and you.

Are you brave, can you ask, someone you don't know to do this crazy task? Sing the song of the day, capture on video, shoot away!

All together now, you'll have to be quick! No feet can touch earth when you take this pic!!
