

What adults need in the morning and use to make coffee.

When you want to get down a quick note/reminder to yourself, you might write it on??

What use use to to write on your sticky note.

What girls might like to take out of the toy box.

What boys might like to take out of the toy box.

Treats that boys and girls like to eat.

What nurses use when they take your blood.

What is used to remind you of an appointment

This is used to hold pieces of paper together.

When you have to blow your nose, you use?

Happy
New Year
