

I AM A MOST UNFORTUNATE SKELETON, YOU SEE. FOR OTHERS COULD NOT LET ME BE. MY BODY PARTS THEY TORE & SHATTERED. THEN THEY TOOK EACH PART AND SCATTERED.

STUDY THE CLUES IS WHERE YOU'LL START. YOU NEED TO FIND EACH & EVERY BODY PART.

HEAD: Are you a loser or winner? To find out, you must look where you eat your dinner.

RIGHT ARM: Up and down, and up and down you climb these everyday. You've likely seen the clue on these, but passed it anyway.

LEFT ARM: If you're thirsty & want a cold drink, you might try the kitchen or sink. Or better yet, a nice cold spot that's made for food & cubes that clink.

BODY / TORSO: To find the part of me where my heart beats, look in the place where you cook good meats.

KEEP ON SEARCHING, YOUR ALMOST DONE. JUST REMEMBER, YOU'RE NOT THE ONLY ONE.

RIGHT LEG: Where you look out to see the sky, another part of me you will spy.

LEFT LEG: If you're low on cash and need some money.... the cashier is sweet but don't call her honey!

NOW THAT YOU'VE SHOWN THAT YOU'RE REALLY WISE, PUT ME BACK TOGETHER TO WIN THE PRIZE.
