

BOUNCE right into your bedroom and don't come out til you find the broom

Think right now we will BOUNCE PASS to mission 3 ...hope you are so pleased with me.

We have to GUARDS who guard our home both day and night, check their bed but please don't fight

We all know I love to TRAVEL. So go find me a piece of gravel

You all look at the big SCREEN ...just look for the largest in our home then we shall all have a loud scream

The SHOT CLOCK is ticking...tic toc ...toc tic....oh I may just need my lip stick...

Wouldn't you love to have an apple TURNOVER, but instead I have to watch that the water don't boil over

I cant wait for summer so in the pool I can DUNK you...but for now I will have to settle with my favorite gym shoe

A BRICK is hard and red or tan...but my JD loves to use his fan..

I love all three of you. so I'm sending you all to see our BIG BLUE!!!!
