

1) Start with the 4 reptiles that move all around. Once there, look on the outside of their compound.

2) Take a break, and get a snack. Go to the table that's in the club house out back.

3) Imagine you are thirsty, but you're not a person. If you were a dog, where would you find water before your condition worsened?

4) Go on a picnic and pick a tree. Ask Joe Joe or Katelyn which one is where their mommy would like to be.

5) Take a ride and find this note. Go find something you would drive. Look under the pedal to find what's wrote.

6) The bounce house is up now, so look for your reward. It's not there though; it's where the bounce house is actually stored.
