

#1--Be the first to find the Humptulips River! Look for a giant bridge 10 miles past Hoquiam.

#2--Look to the sky and the shores and find a Pelican, Falcon, and/or Heron

#3--Two weekends ago, Ocean Shores hosted an International Kite Festival. Search the air for Kites in flight.

#4--Meet an "Artist in Action" at the Fusion Gallery. Ask a question about one interesting part of his/her art in the shop.

#5--Spot two yellow-coated dwarfs on a beached wooden boat! Give them names.

#6--Don't get swallowed and chewed up by the giant shark face. Keep your distance and just be the first to count her teeth.

#7--High tide floats in natural/unnatural wonders from afar. Find a Tsunami artifact at the North Jetty.

#8--In one of the 10 rooms, be the first to find a sea turtle at the Interpretive Center.

#9--Find the Lighthouse that serves Espresso on Point Brown Ave.

#10--Test your floral skills and identify a buttercup and/or lupine flower at Ocean City State Park.
