

pick out a cubby. The teacher will write your name on a star. Put your sleep mat in it. this is also where your blanket and backpack go!

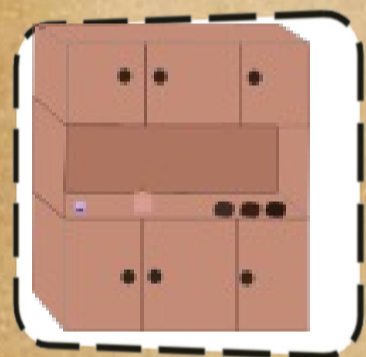

put the playdough and germ-x on the red table. This is where we will do art and also play games and work!

put your glue, markers, crayons, & dry-erase markers on the yellow table in tubs. This is the art center!

put your paper plates on the shelf in the middle of the room.

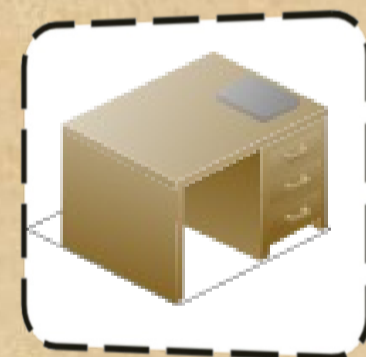

put your Kleenex box on the blue table. This is the home living center!

find the block center. This is where you will build with blocks and play with trucks and animals!

put the baby wipes on the green table. This is where you will play games and work!

fill out the papers on my desk and put them in the tray.

put the Lysol or Clorox wipes on the counter beside the sink. beside the sink is the water fountain.

come and see the teacher to get your picture taken and get your special treat!
