

Find another girl you have never talked with before. Write down her name, favorite color, and favorite camp activity.

Correctly identify one tree, shrub, plant, or flower.

Eat a food you have never tried before OR learn and sing a song you have never sung before.

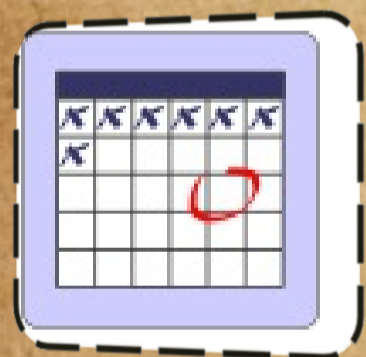

Stretch your arms and legs and then do 15 Jumping Jacks.

Learn something about Hawaii from someone here at camp, and then share what you learned with a different person here.

Learn the names of some of the animals and birds that live in the Salem area.

Find one other girl whose birthday is during the same month as yours.

Give someone a big compliment! Feel free to add a smile and a hug!

Be very quiet and still and focus on the sky, the water, or the trees. Let your mind wander. Do this for three minutes.

Break out into song at least once during camp.
