

Create your own KMS Outdoor Classroom and Garden Pinterest board, & find ideas to pin as you go through the scavenger hunt!

#5 Go to the "ALA Growing Food" pin and search for a book you would like to add to our KMS library.

#1 Find the "Garden Themes" pin and select one for your team.

#6 Find an art/nature project idea and pin it to your KMS Outdoor Classroom Board

#2 Find an outdoor game we can make. Pin it!

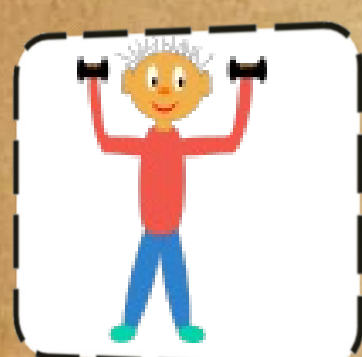

#7 Find a cooking or food resource. Pin it!

#3 Post a scavenger hunt to your board... or CREATE one for yourself.

#8 Find a lesson plan in your subject area. Pin It! We will find resources to go along with your lesson.

#4 Pin a workout for kids to do on the trail or track. We will make posters of the workouts and create fitness stations along the trail!

EXTRA CREDIT: Go to the "Free Plants for Your Garden" pin and see what freebies you can bring for us to share at KMS.
