

Take a picture of your team

find four things in the house that spell the word A-L-L-Y

find 6 of anything from outside

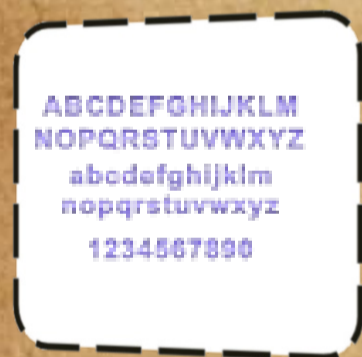

count how many chairs there are inside and outside. add 5 to the number of chairs and write down the answer

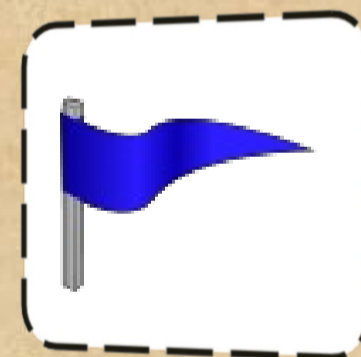

find a pair of scissors and a magazine and cut out a animal a fruit and the number 8

find the letter P somewhere then send one member of the team to get an adult or helper to show them

have someone not in your group sign here

make a team flag out of paper

choose someone on your team to run up the stairs as fast as possible and choose someone else on your team to work the timer. write your time on the line

go show a adult or helper everything you've done throughout the scavenger hunt
