

Elle, Since you will not be home for Christmas I am leaving gifts now.

(1) I'm an animal that likes to hop. You have a lot of these animals in the house.

Read the clues and find the letters and write them in the boxes on this paper.

(2) I'm full of dirty clothes! Hopefully we will have them clean and dry soon. Go there.

If you are really good I will visit again on Christmas.

(3) Think blue but not dark. You will find me with great grandma.

I know that your friend Jenna does not believe I bring gifts.

(4) If you are hungry look for me in here.

Believe that Santa does come for good girls and boys and I will bring you gifts.

(5) Almost done! Look for the last clue in the trees, red and green.
