

I get filled and then emptied six days a week. If you don't own my contents, you can't take a peek.

Communicate with family, research, shop and play games. Since this invention swept the globe, our lives have really changed.

Everyone knows that candy tastes good, although it is bad for Jake's teeth but there's one thing that can help keep your smile white, and save you a lot of grief.

If you're thirsty, hot & want a cold drink, you might try the kitchen or sink, or better yet a nice cold spot that's made for food and cubes that clink.

Some visitors pause here and strangers announce their reason. Things that decorate me can indicate the season.

It seems our clothes just keep returning to this same machine. At least they're better than the things the ancients used to clean.

Up and down, and up and down you climb these everyday. You've likely seen the clue on these, but passed it anyway.

When couples are well-organized they park the car in here. But otherwise it's full of junk and not one inch is clear.

This room is for the guests to sleep when staying for the night. Let's hope the bed is comfortable and sheets are clean and white.

Find a place where bears might go and see if one is there. Not in the zoo, not in the woods, but in a toy bear's lair.
