

Take a picture with someone wearing a BYU-Idaho approved gym suit.

Record your group building a snowman.

Make a pyramid out of your group members inside the BYU-Idaho center.

Shake hands with a stranger.

Find someone on campus that you know and take a picture with them.

Get a phone number from a girl AND a guy! (That you do not already know.)

Go and dance your heart out in the MC Ballroom! (You may want to record this!)

Take someone's trash out to the dumpster for them.

Leave an inspiring note on at least 5 people's doors! (You never know how much of a difference the little things in life can make!)

Pick up 10 pieces of trash along your journey! Remember the Earth is the Lord's creation. Respect it!
