

Create teams of 3-4 people. When you find an object, write down the clue letter. Once you have all the letters, unscramble them and find your prize.

"TRI" as you might, you cannot "DENT" me. If you want to fish, this might be your wish.

Our horns twinkle, we love to neigh, and we are a delight. Find us you may, we are 95% magic and 5% horse.

I spin, I grin, I play. Zooming around a girl's hips I twinkle like a flame. Find me if you can!

Whomping willows are very rare, but this tree has something to spare. It catches your dreams and nightmares, too, so find me right out of the blue.

Beak so sharp but then so round, I stand for wisdom. I am glass and pretty and I am not alive. The real me hunts but I sleep.

Dazzling and bright, what a delight. I am gold. Fancy egg of Easter, I am foretold.

Bead after bead after bead after bead are strung on my string. Swinging around the little girl's neck, oh how I do sing.

Sword of light, sword of fight, battle my enemies now. Goric Gryffindor's object to destroy the unnameable objects. Battle of might and fight.

I was once used for drinking, but now I am fit for a queen. My color is the same as might be found in a ring.
