

My sugar is a little low. What could I do to bring it up?

Oh No! I'm having chest pain, what should I do?

I have a horrible toothache. Can someone take a look at it?

I was told I'm overweight. How can I lose weight without going to the gym?

My potassium is low, so my doctor wants me to monitor my level. What does that mean? Do I need to go somewhere to have it checked?

I'm being admitted to the hospital. The nurse told me I could pre-register. Where do I go?

My doctor wrote me a prescription for Klor-Con. Where do I take it to get it filled?

My doctor told me to keep an eye on my hypertension at home. How do I do that? Do I need any equipment?

My doctor said I needed some education on my newly diagnosed HTN, DM, and hypokalemia. Could you point me to class?

Congratulations! You have helped me feel better & learn how I can better take care of myself.
