

Look outside, it isn't far, maybe over by the car?

Once you found clue number 1, look a little further... it weighs a ton!

the clues just keep coming, not long now, there are tools around, but not a plow!

the garden is beautiful, have you heard? Especially the flowers, and the bird!

Clue number five, we are half way there, take a look at the lace leaf maple, if you dare!

This clue is hard, so use your head, the house is white and the door is red!

this clue is an easy one, truly it's a thrill, this clue may be hiding somewhere near the grill!

the front of the house is hot, careful not to scorch, looking for a clue somewhere near the porch!

This clue is messy, but worth it for the stash, this clue may be hiding somewhere near the trash!

Finally! The last clue is all about Spike, guess what it is and you are a winner! Good Luck!
