

The number of achievements the Gupta Empire had that chapter 18 looked closely at.

The Disney movie Aladdin was inspired by this.

A time known for great prosperity and achievement.

paintings of rich bright colors on walls were known as these.

These were divided areas throughout the Gupta empire that had a great deal of independence.

Buddha and Ganga are typical for this artistic achievement.

This helped the Gupta's stay in power for 230 years.

This type of metal was especially mastered during the Gupta era.

A part of this creature was used to give stitches.

These were built for trade as well as safety and comfort. They had features to prevent flooding during monsoons.
