

Start by finding 3 small stones

Find and carefully pick a piece of fruit from a tree

Find 3 small sticks to bundle together

Find a feather of any kind

Find 3 different kinds of leaves

Find a flower not inside the yard or flowerbeds and carefully pick it.

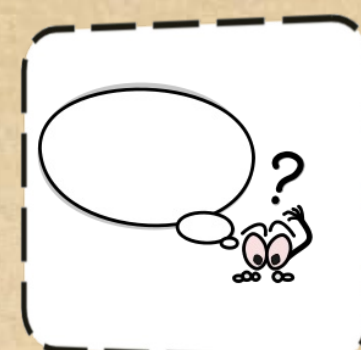

Find 3 different kinds of pinecones

Find a piece of litter or trash on the ground

Find 3 small seeds, nuts, or acorns

This is your last challenge and it's a riddle. You can find me in the woods or even in your yard. I'm very soft and love apples.
