

Your group can not survive another zombie assault without more weapons.

The generators are almost out of fuel, and won't last much longer

Your food storage is almost empty, need to find more if you're going to be here for long.

Are there other survivors out there, finding radios might just have the answer you're looking for.

Any medical supplies you come across will come in useful.

Spot a zombie!!

Confuse a zombie!!

Kill a zombie!!

Save a friend!!

Don't get bitten!!
