

Write down 5 things that you see that are brown.

Count the number of flower pots . Take that number x2 and divide by 4.

Look around for a bird house, find some instructions and do what it tells you to do.

Find a hat, put it on, lay down, do 10 sit ups then move on.

With Donna's phone, take a picture of a frog.

Find Brent and sing Happy Birthday to him.

Run around the house, ring the front doorbell, then run back and chirp like a bird.

Count the number of trees in the backyard and take that number x 2 and divide by 5.

Find these 6 items: pine needles, rock, clover, leaf, flower.

Congratulations! See Donna for your first prize and the first clue for your treasure hunt!
