

Barbie and Ken and friends like to party here.

This is where we like to eat a meal when it gets warm out.

This is where we take care of our teeth and our hair.

The postman likes to visit me everyday.

This is where things are kept fresh and cold.

This is where the boys like to hang out.

When your tummy rumbles you go here.

I'm shiny and new and fun to do.

Hickory dickory dock the mouse ran up the ???

I rumble and tumble and make lots of noise.
