

There's a special place you must go to..discover a cauldron of witch's brew. Dunk a team member to retrieve an apple with your team hue.

Wizards use this for a spell. You'll find this clue in a place that smells.....

look up look down and you will see...at pair of tootsies in a tree...retrieve your color.

I'm a little skeleton not much larger than a mouse. I reside in a house...

I have five fingers but no hand..find me where there used to be sand...

Without me, your leg would be mush. Unearth me from under a ??????????

For the next clue you must ask, send forth a sacrifice , to perform a grueling task.....

Bing Bang Boom..On this a witch goes Zoom!

BOOO! Up in a tree you'll find you know me! Retrieve your team hue for the next clue...

Watch for moss...bad luck is said to come to those whose paths I cross...
