

Instructions: Gather each item from a guest or other location given in clues and return items to the kitchen table. Do not leave the house property!

A bone is what you seek, ask any of the ones that dress with red (in their costume)

Sticks and stones you look for, to find ask the darker heros for assistance

Metal is necessary for your quest search out a safety pin from the seamstress (better known as wasp)

Spiders and snakes won't help you now go find a bug (a plastic one) they may gather under the apples

Find one piece of fall that falls from a tree, the color doesn't matter they can be real or fake

Female Super Heros possess these items they are flat and there will be writing on them

The men will be the next to find ask them all and find a dime

Fingernails are needed on this quest, go ask the bat she's quite the hex

Ask for something light orange and small, they come from pumpkins so ask them all (guests that is)
