

Your Mission is to find Yoda and save him from Darth Vader. May the force be with you. Go to the room with big orange balls. Grab one and hold on to it.

Now look around and around and around and see if there is a green book. Grab one for your team and hold on to it.

Head upstairs to the second level of spaceship and go out to the world. Find a Tattoine rock. Bring the rock inside to defeat Darth Vader.

Go back to lower level and find hoops. Get your team together and start a game. The first team to reach 20 wins.

The team that lost is disqualified. Sorry :(The winning team has to split up a find booka fett (book checker) in a hidden place by the fire.

When you find booka fett, she will check the number of pages in your galaxy manual. Whomever has the most pages will have gained lightsaber power and can continue the search for Yoda.

You can use the power of the light saber and look for Yoda is a dark place. It gets very hot.... Hurry...the dark side is hungry for Yoda.

Congratulations!!! You found Yoda. You have saved him from Darth Vader. You may keep him.
