

Roses are Red, Violets are Blue.... This bunny wants you to find a clue in a shoe!

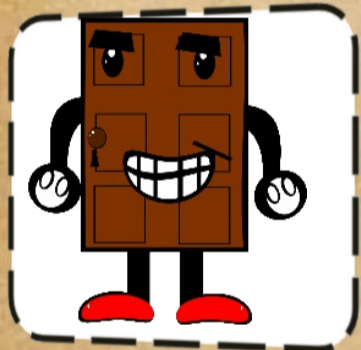

Any many miny moe.... look for three rocks in a roll.

Look high...look low... look everywhere you GO!

Quench your thirst after a LONG walk.

If you have 1-4 go look by a door!

By now you have a made a really big choice...was it right or was it wrong? Go find a song!

Where would a bunny look for some honey?

Start at the honey and look for money!!! 20 paces away from the house, then ten paces to your right and finally ten paces backwards

You look so funny...you silly bunny! Now go check the mail before your boat sails!!

The end is here... do you want to trade what you have now for what could be? Return where you started and don't be blue!
