HAPPY BIRTHDAY!

A princess most fair ate a single bite of this. Will she be awakened by a Charming kiss?

The more I dry, the wetter I become. What am I?

To be kind to the earth we follow the 3 R's, now you need to find an item that used to be ours.

When you fall and skin your knee, what do you need to stop the bleed?

Find an item that begins with the Birthday girl's first name.

What has a tongue that can't taste, eyes that can't see and a sole that will never die?

Old dirty socks, you'll follow the smell and find your next clue where the monsters dwell.

You use it from your head to your toes, the more it is used, the thinner it grows.

Stiff is my spine and my body is pale, but I%u2019m always ready to tell a tale.

All over the house you will find many toys, now you will need to find one that makes some noise!
