

I am something you sit or lay down on and am found in peoples living rooms. You probably sit on me to watch TV!

You use us to eat your food with so your hands don't get all messy! We come in a set of 3.

You can find me in the corner of the office; I am big and green with lots of leaves. You will find a green watering can beside me!

I am sitting on somebodys desk; I am a big red ruby set on a silver stand.

I am drawn on somebodys wall. You see me after it rains and I am made up of every color! You may find a pot of gold where I touch the ground.

Arrr Mates! I am sitting on somebodys shelf; pirates sail the sea with me and I am made from one of your favorite toys: legos!

People walk on me for exercise but don't go too fast! You may end up falling off my trends

I am somebodys dog. I am small and white and love people! My name is a unique one; I'm called Fransis!

Nobody sits here; this cubicle is empty. But I have a clue so which one am I?

This is a room where meetings are held. It is filled with chairs and has a huge table!
