

A real fun place to play a song. When you tickle these ivories, you can't go wrong!

Need to place a P.O. for your class? Head on up here, she'll cover your ORDER.

Have you looked in this place in the last couple days? It's filled with class sets that will sure to amaze!

A few steps to take you to a fun little ride. Sit on you pockets for the rules to abide.

Take a stroll through a room that is for intervention. There's math games and reading, so much I could mention.

Choose one super classroom for a selfie so cute. The whole team should be there (or the point is just mute.)

The letter is "C" that your team needs to make. Stack your bodies or arm limbs, whatever it takes.

Does Darcy know that you sat in her chair? Who's the person so brave that you'll take this big dare?

Writing's on the Wall is waiting for you. Write your best inspiration to share with this crew.

Your final step is super sweet. The golden arches are calling to give you a treat!
