

Your First Clue is a timely stop. You might find a sock above a clock!

Your next clue might hang you up. A gold necklace is located in a place, that is full of shoe lace.

A second sock is beneath something you watch. It helps you keep up with Kim, Khloe, Courtney and Scott!

When looking for your tent, it will be in a spot it is not meant. Located on two wheels, this clue should turn some gears.

Your matching sock should be easy to spot. Just look for some light to illuminate your sight.

Your last clue is located in what I am to you. It can keep things Kuehl("cool") and is close to a pool.
