

HAPPY BIRTHDAY!

Pick a team name and a team captain.

Find the hidden tattoo box and give everyone on the team a tattoo.

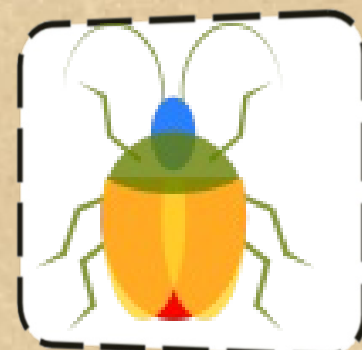

Find fancy duct tape and everyone make their own duct tape bracelet.

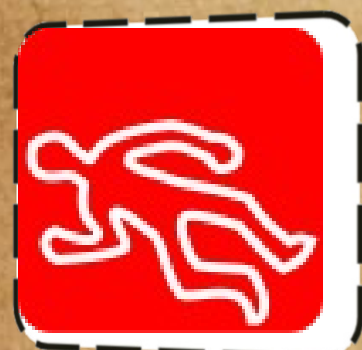

Agree on your favorite team song. Sing it and record it (must be at least 30 seconds long).

Find three yellow things.

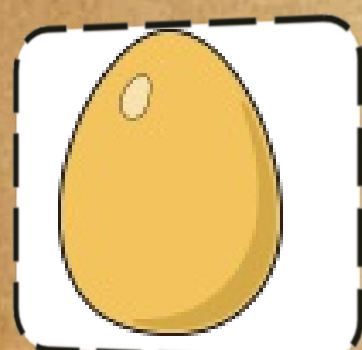

Gather three brown or green things that are found in nature.

Using sidewalk chalk, trace the body of one member of your team on Blue Bonnet.

Each member must shoot three baskets and make them.

Find three plastic eggs in the back yard. Write what they have on them on the back of this paper and put them back.

Find an American flag. Everyone says the Pledge of Allegiance and high fives and moves on.
