

before you start you need to know,, that each thing you collect might later be needed

search for me between the trees ,, or maybe up between the branches and leaves

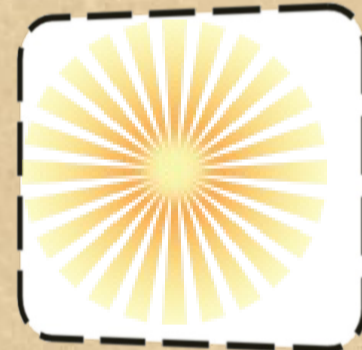

only one girl guide us all through the field to fetch them all safe to the other side cause we all cant see ,, now use ur scarves to fold you eyes,, p.s each time you hit the obstacles start from the beginning

Now its time to guess what Neha new phone is ,, think deep and send ur answer to nary and she will give u a clue if u r right,, if you guessed it right you can escape the next mission

draw with your legS a beautiful paint,, share it on facebook and mention LS and get 3 likes ,, move on dun wait

create a house with matches p.s. 3D not 2D dont cheat

now its time to find the letters ,, find the bowls ,, search them and never use ur hands ,, only ur mouth

now set down and take a breath ,, arrange all the things u've found,, a mission beneath the letters must be 1st done

now make a video on dubsplash ,, send it 2 ur coach,, tag and share ,, then get 7 likes p.s. all the team must participate in the video

now go to the coach and ur award is waiting..
