

Find any living thing besides people, in our classroom?

Find a book with "space" in the title. Take it exactly where you found it.

Go to the place in the school where you make music. Sing "If You're Happy & You Know It" with your grandparent while there.

Where in the school do you "get physical"? Go there and have your grandparents count while you do TEN burpees.

Where in the school do we perform plays? Go there and read the poem about grandparents.

Take your grandparent outside by the flag and say The Pledge together.

Find where you make art. show your grandparents your favorite thing in the room.

Introduce your grandparent to one of your specials teachers.

What do you like to play at recess? Show them where and tell about it.

Find a bench or chair & ask your grandparent what their favorite memories from school were for them.
