

Sometimes I am going, other times I am coming.

I can keep you warm if you get close enough.

Sometimes I am wet, other times I am dry.

You can use me in a tight spot.

I can be dangerous if used improperly

Rarely am I organized.

I run around in circles. I can get your places.

I am living on the edge.

I am cold and can burn items left too long.

I hope you never need me.
