

  
the Marriage of  
His Royal Highness Prince William of Wales, K.G.  
with  
Miss Catherine Middleton

I was in this form until the  
divine feet touched me.

I had to be broken for the  
divine wedding to  
happen

I can be killed only by a  
human who can  
conquer sleep

I can talk ,I can walk but I  
am not a human. I am  
Dasharatha's good friend

I came from fire. I came in  
a pot.3 queens waited  
for me

I wake you up  
everyday.All the heros in  
this story belong to my  
clan

I was kept on the throne  
instead of my owner to  
rule a kingdom

It was in me that the  
royal family was taken to  
the forest

I am the weapon of an  
angry sage . You can use  
me for deforestation.

I covered an author  
completely.I made a hill  
and kept him safe in it. I  
helped him create an epic.
