Find and collect the following. If you can't take it with you, take a photo for proof. A feather, a flower, a bird, a fun shaped rock, something that floats, something that smells, a sign, a leaf, and something that begins with the letter 'S'. Create a dance! Make up a dance with your team, and show the others at the end of the hunt.

Draw a picture of the happy couple and present it to the future bride.

Make a Veil! Use whatever you have on you, and what you can find in the area, to create a lovely veil. Keep it with you, you'll need it later!

Photo Op! Take photo's/selfies in the following situations; Laying on the ground, jumping in the air, in a small space, holding something colorful, with 2 different shoes, Try to hide! Have some of you try to hide while a photo is being taken, and finally, take a proposal photo! Find someone to propose to, and grab a photo of the event.

Reenact a Disney scene! Take a scene from a Disney movie and reenact it with your group. Get it on video so you can show others later.

Take a seat! Find something you would usually sit in, and see how many you can fit! Be sure to save one person to take a photo.

Last task! Find the bride to be and dress her up in your veil. Make sure to get a photo with her to commemorate the moment!
