

I'm bigger than a flea. I'm bigger than a bee. You can unlock a door with me.

I smash scissors and paper covers me.

I blow in the wind and drop in the fall.

I make marks everywhere I go. I shrink as your ideas grow.

I am a protector on a bridge. One person can see right through me while others wonder what I hide.

I have two faces but only bare one head.

Worn by many. You can see me on a head.

I have a handle but I'm not a hammer. I can be made from metal or plastic but I'm not a hanger.

I am a tube but not a pipe. You use me when you are thirsty.

I have a spring but I'm not a bed. I clip things but not on your head.
