

if you find what you use to brush your teeth the next clue will be in reach

under pillows and cushions from your sofa there's hiding a clue for this treasure hunt to keep on guiding

another clue to be told look where our milk and juice stay cold

in our kitchen there is a table, look underneath it if you are able

your family picture that is in a frame this is where you can find a new clue for this game

shampoo and soap and water to clean look inside here for another clue to be seen

this cleans your clothes and spins around look by this an the next clue can be found

where you can watch show cartoons and movies too check right next to this for the next clue i left you

almost done, it plays music and you can sing in a microphone

for your last clue find the place where you do your homework
